From the Desk of the Editor

Puja festive greetings to all members and a happy Diwali.

ISPR has successfully concluded its 14th Annual National Conference at Kolkata on 10th & 11th Sept.'2016.

One of the biggest achievements of this conference is the publication of the Members Directory which has taken a great deal of effort on the part of the conference organisers to make this dream come true.

Guest speakers from all around the country and internationally attended the conference with members from the WFPI (World Federation of Paediatric Imaging) being present.

18th Annual Meeting of AOSPR & 16th Annual Meeting of ISPR will be held on Sept.' 14-16, 2018 at Chandigarh, India and it will be a proud moment for all of us.

The 15th Annual National Conference of ISPR will be held at Pune tentatively on 9th & 10th Sept.' 2017 under the leadership of Dr. Priscilla Joshi.

We are grateful to Prof. Neera Kohli for contributing the highest ever collection from the savings of the 13th Annual National Conference of ISPR held at Lucknow on 11th & 12th Sept.' 2015.

We look forward to a National CME in Assam next year from our new members in the north east.

I appeal to all paediatric radiologists and radiologists interested in paediatric radiology to become members of Indian Society of Paediatric Radiology to help us carry forward the cause of ISPR laid down by our founding members.

Long live ISPR!
