From the Desk of the Editor

ISPR has just recently concluded a very successful 8th Mid-term National CME held on 25th June, 2017 at Bengaluru. It was held at the Auditorium of Columbia Asia at Whitefield, Bengaluru by our new members from that place. There was overwhelming response and a huge number of delegates turned up. The scientific programme was great based on the theme Paediatric Neuroradiology. There was a video conferencing with Dr. Manohar Shroff from Canada on Paediatric stroke imaging.

A very useful and meaningful Executive Meeting of ISPR was also conducted on 24th June, 2017, presided by ISPR president Dr. Jayaraj Govindaraj.

All ISPR members are requested to participate actively in the Quiz programme on our Website & visit www.ispronline.in by submitting Quiz material, so that all our viewers can see it.

We look forward to the forthcoming 15th Annual National Conference of ISPR to be held at Pune on 9th and 10th Sept., 2017.

We are proud of all our ISPR members and their dedication towards Paediatric Radiology.

New fellowship programme in paediatric radiology has started in AIIMS, New Delhi.

Long live ISPR!
