From the Desk of the Editor

ISPR has recently concluded yet another successful national mid-term CME, the 9th Mid-Term CME was held on 31st March 2018 at Udaipur. A total of about 150 participating delegates and national faculty attended the 9th Mid term CME at Hotel Ambience, Udaipur under the able leadership of Dr. Kushal Gehlot & his excellent team. The theme of the Mid term CME was on paediatric abdomen and quite a number of oral presentations by Resident post graduates were carried out. A superb scientific programme was executed by the organisers.

A very purposeful and productive Executive meeting of ISPR was also conducted on 30th March 2018 at Udaipur, presided by ISPR president Dr Jayaraj Govindaraj.

We look forward to the forthcoming 18th Annual Meeting of AOSPR and 16th Annual National conference of ISPR to be held combined at Chandigarh on 14th to 16th Sept. 2018. The international event promises to be a great show with 30 international faculty members from around the world.

Great efforts have been taken by the organizers to make it a grand success in which all delegates will remember it for a long time.

All ISPR members are requested to participate actively on our website www.ispronline.in specially in contributing to the quiz and register for the upcoming International conference.

We are proud of all our ISPR members for their dedication towards paediatric radiology.

Long live ISPR!

With Season's Greetings to all.

Dr. Bijon Kundu
