From the desk of the Editor

A landmark achievement has been made on 14th September, 2018 to 16th September, 2018 with holding the most successful AOSPR in its entire history and hat's off to the organizers of the Joint 16th Annual National Conference of ISPR and the 18th Annual Meeting of AOSPR held at PGI Chandigarh. There was an overwhelming response from the faculties in the country and outside the country as well as from the attending delegates. The organizers from PGI Chandigarh truly presented an international standard conference of pediatric radiology never seen in India or in the South Asia region. It was a superb blend of great academic feast and also funfilled partying in the evenings after a long day of academics. The tiring efforts of Dr. Kushaljit Singh Sodhi & Dr. Akshay Saxena & their team need special mention & praise.

A record number of delegates attended this epic conference to make it a grand success.

ISPR released its updated Members Directory at the ISPR General Body Meeting.

Please visit www.ispronline.in for all the latest news and updates.

Wishing all our members a Happy Puja Festival.

This is my last E-Newsletter to you all as we have a new editor for our next E-newsletter.

Long live ISPR!

With Season's Greetings to all.
